

CTPAT Program Minimum Security Criteria (MSC) for Long Haul Carriers in Mexico

Requirements:

1. Be an active Highway Carrier in Mexico.
2. Does not cross the U.S. border, but transports cargo destined to the United States.
3. Have an SCT Number issued by the Secretaría de Transportes y Comunicaciones (Mexican Department of Transportation).
4. If applicable, Mexican based companies must provide the business' "Acta Constitutiva", which lists the full legal name of the company, and the full name of each owner or officer within the company.
5. Mexican based companies must provide the RFC (Registro Federal de Contribuyentes), issued by the Mexican Tax Administration Service or SAT. The RFC is the unique business/tax identifier made up of letters and numbers. RFCs are 12 characters long for companies, LLCs and partnerships (Persona Moral); or 13 characters long for persons or proprietorships (Persona Física).
6. Designate a company officer that will be the primary cargo security officer responsible for CTPAT.
7. Sign the "CTPAT-Partner Agreement to Voluntarily Participate" and demonstrate commitment to the obligations outlined in this Agreement. This document is signed by a Company officer when the company applies for CTPAT membership via the CTPAT Portal.
8. Complete a supply chain security profile in the CTPAT Portal, identifying how the company meets and maintains the Program's MSC for Mexican Long Haul Highway Carriers.
9. Maintain no evidence of financial debt to CBP for which the responsible party has exhausted all administrative and judicial remedies for relief, a final judgment or administrative disposition has been rendered, and the final bill or debt remains unpaid at the time of the initial application or annual renewal.
